

DUAL BACHELOR DEGREE PROGRAM
between
STATE UNIVERSITY OF NEW YORK AT STONY BROOK
STONY BROOK, UNITED STATES OF AMERICA
and
NATIONAL CHIAO TUNG UNIVERSITY
TAIWAN, REPUBLIC OF CHINA

In recognition of the general importance of international education and existing ties of mutual cooperation and respect, the State University of New York at Stony Brook (hereafter SBU) and National Chiao Tung University (hereafter NCTU) agree to develop and administer a Dual Bachelor Degree Program for undergraduate students initially admitted to NCTU. The Program is specifically designed to enable qualified participants from NCTU, as determined by both universities, to earn a bachelor's degree from SBU and NCTU respectively upon successful completion of graduation requirements for each university.

Nominations

NCTU will nominate students with upper division standing for advanced standing at SBU. Nominations, including credentials, complete academic records, and all other supporting documentation, will be made available to SBU's Undergraduate Admissions by January 1, for the following Fall semester and September 1, for the following Spring semester.

Requirements

Nominated NCTU students will have a GPA equivalent to a SBU 3.00 and a minimal TOEFL score of 80 on the internet based test (iBT).

Admission

Nominations and documentation of minimal requirements will not in themselves guarantee admission to SBU. Offers of admission for NCTU nominees will be made by the SBU Office of Undergraduate Admissions. Offers of admission for the fall term will be made by April 1, and for the spring term, December 1.

Tuition Costs and Fees

Admitted NCTU students will be billed for and pay out-of-state tuition directly to SBU's Bursar's Office.

Housing and Meal Plan

NCTU students will pay all regular SBU undergraduate fees, as well as a residence fee, and meal plan costs.

Requirements for Graduation

All academic courses successfully completed at NCTU are transferable; however, SBU reserves the right to determine what constitutes an academic course. Students will earn a bachelor's

degree from SBU and NCTU respectively upon successful completion of graduation requirements for each university.

Visas

The SBU Office of International Academic Programs and Services will provide the assistance necessary for NCTU students to apply for an appropriate U.S. visa.

Transcripts

At the participating student's request, an SBU transcript will be sent directly to NCTU's Office of International Affairs.

Duration

At the end of a three-year period, this Agreement may be renewed by mutual consent, unless NCTU or SBU provides written notification of the intent not to renew at least six months prior to the termination date. In the event of termination, all commitments to participation students will be honored by participating parties.
