#### Letter of Intent

The undersigned Arens, William, as representative of Stony Brook University, confirms the willingness to collaborate on the three-year-long research project entitled "19<sup>th</sup> Century Literature and its Relation to Social-Anthropology, Advertisement, Photography, Graphic and Figurative Arts" in conjunction with the Università "Aldo Moro" of Bari- led by project lead researcher Professor Francesco Vitelli-which shall be presented to the Ministry of University and Research (MIUR) as part of the Bando PRIN 2010-2011.

The project lead researcher on behalf of the undersigned academic institution is Professor Mario Bruno Mignone.

The project, initiated by the unit in Bari, is part of the three-year-long project entitled "Le contaminazioni nella letteratura italiana dal Cinquecento al Novecento", and will be coordinated by Professor Sebastiano Martelli of the University of Salerno.

All the foreseeable costs sustained directly by Stony Brook University for the completion of any and all activities related to the collaboration shall be absorbed by the same undersigned entity.

In confidence,

Dr. William Arens, Dean  
Office of International Academic Programs
