

Confirmation

It is hereby confirmed that the cooperation between the State University of New York at Stony Brook and the Technische Universität Bergakademie Freiberg currently includes the W. A. Harriman School for Management & Policy (Prof. Thomas R. Sexton), the Department of Molecular Genetics and Microbiology (Prof. Eckard Wimmer), and the Department of Mechanical Engineering (Prof. Hui Zhang) at Stony Brook and the Department of Business Administration and Economics (Prof. Michael B. Hinner), the Chair of Biochemistry at the IÖZ (Prof. Michael Schlömann), and the Department of Mechanical Engineering (Prof. Gerd Walter) at the TU Bergakademie Freiberg. The current cooperation may be expanded beyond the above mentioned departments at any time.
