

Memorandum of Understanding
between
Prof. M. H. Rafailovich
Garcia MRSEC (Materials Research Science and Engineering Center)
Department of Materials Science and Engineering
The State Univ. of New York at Stony Brook (SUNY-SB)
of the United States of America
and
Prof. M. W. Kim
Dept. of Physics and Dept. of Advanced Materials
The Korea Advanced Institute of Science and Technology (KAIST)

In accordance with the General Agreement between SUNY-SB and KAIST signed on 1/27/98, Prof. M. H. Rafailovich MRL, SUNY-SB of the United State of America, and Prof. M. W. Kim in Dept. of Physics and Dept. of Adv. Materials, KAIST agree as follows:

The two research groups will carry out the cooperative research projects concerning Advanced Materials. The realm of research covers the understanding polymer surfaces and interfaces and the development of new materials including self assembled materials
