

MEMORANDUM OF UNDERSTANDING

Between

**CENTER OF EXCELLENCE IN WIRELESS AND INFORMATION TECHNOLOGY,
STATE UNIVERSITY OF NEW YORK AT STONY BROOK
UNITED STATES OF AMERICA**

And

**INSTITUTE OF UBIQUITOUS INFORMATION TECHNOLOGY AND
APPLICATIONS, KONKUK UNIVERSITY
SEOUL, REPUBLIC OF KOREA**

Institute for Ubiquitous Information Technology and Applications at Konkuk University, Republic of Korea, hereinafter referred to as UbITA, and Center of Excellence in Wireless and Information Technology at State University of New York at Stony Brook, United States of America, hereinafter referred to as CEWIT, in recognition of their common interests in developing bilateral relations and convince that cooperation between research institutes on the information technology contributes to scientific progress, technology innovation, and the consolidation of friendship between counties, agree to establish the following Agreement of Cooperation.

This Agreement will promote activities in the following areas:

- Collaborative research activities and publications in the fields of wireless/ubiquitous information technology and applications
- Exchange of invitations to scholars for lectures, talks and sharing of experience.
- Exchange of invitations to scholars to participate in conferences, colloquia and symposia.
- Exchange of information in the fields of interests to both institutions.
- Exchange of faculty members and students for education and research

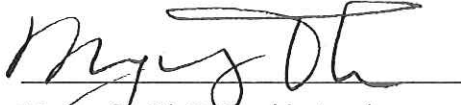

Themes of collaborative activities and the conditions for utilizing the results achieved and arrangements for specific visits, professional leaves, exchanges and other forms of cooperation, will be negotiated for each specific case.

This agreement will be effective upon the date of signature by the representatives of the institutions. It shall be subject to review in five years and shall be extended after mutual agreement.

This agreement has been written in English. This copy is hereby officially certified to be authentic.
