

# Agreement of Cooperation

between

The State University of New York at Stony Brook  
Stony Brook, New York, USA

and

Seoul National University  
Seoul, Republic of Korea

In recognition of the common interests shared by the State University of New York at Stony Brook and Seoul National University, as initially articulated in the Letter of Understanding of April 25, 1990, the two universities are pleased to establish this Agreement of Cooperation, which is designed to provide mechanisms for facilitating development of cooperative activities.

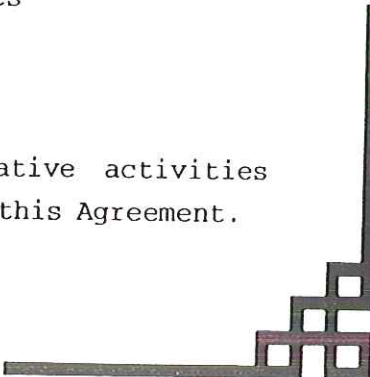

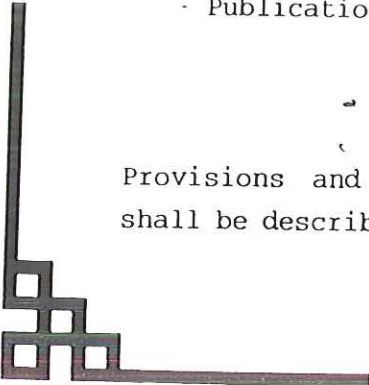

## I

This Agreement of Cooperation shall promote collaborative endeavors in the following principal areas of activity :

- Exchange of faculty and academic staff
- Exchange of students
- Exchange of educational materials and publications
- Development of collaborative instructional, research and cultural activities
- Publication of Korean Studies Monograph Series

## II

Provisions and mechanisms for specific cooperative activities shall be described in corresponding Appendices to this Agreement.

III

All cooperative activities developed under the auspices of this Agreement shall respect and conform to each university's governing traditions, policies and procedures.

IV

This Agreement will commence on \_\_\_\_\_, 1996 and remain in effect for five years. It may be modified, extended or terminated by mutual consent.
