Dear Vice President Cheng,

Enclosed, please find two original signed copies of the Memorandum of Understanding between Stony Brook University and Xi'an Jiaotong University regarding the agreement to cooperate in these three areas: Exchange of students; Exchange of faculty and academic staff; Instructional and cultural programs. Please have these signed by the appropriate staff at your University and return one of the signed originals to us and keep the other for your files.

We are currently working with our Department of Physics to finalize an agreement to take your Physics students at Stony Brook University.

I look forward to Fuli Li's arrival here on May 12, 2013, and his visit with us on May 13 at which time we hope to finalize details on Physics.

Sincerely,
