Professor Wolf Schäfer, Ph.D.

Interim Dean, International Academic Programs and Services

Stony Brook State University, New York

Attention:

Aida Mezzanotte and Jeanine Guilbeault-Leite

Subject: *Memorandum of Understanding(MOU) signing between Stony Brook University, USA and University of Chittagong, Bangladesh.*

Dear Prof Schäfer

Thank you very much for your gesture and initiative for collaboration between Stony Brook State University, New York and University of Chittagong, Bangladesh. I am sending herewith two copies of MOU document, format sent by Jeanine Guilbeault-Leite, duly signed by appropriate designated persons, the Vice Chancellor and Registrar of University of Chittagong, Bangladesh. In the mean time a scanned copy of the same already sent to you by email. University of Chittagong is the second largest state university of Bangladesh with about 25 thousand students. The University is top ranked in the country & in the South-East region of Asia, has about 50 different departments & Institutes with the capacities of awarding, Graduation, Master's and Ph.D. degree in different discipline, can be seen in this website: www.cu.ac.bd

I hope with your active consideration the proposed MOU will be signed by your side accordingly. After the completion of the formal signing we will be able find programs to enhance collaboration in different levels initially with department of chemistry, Stony Brook State University and department of chemistry, University of Chittagong to enrich teaching learning methodologies and new developed ideas in higher education. It will be highly appreciated if you please send a hard copy of signed MOU for official use by University of Chittagong.

Thank you

Monir Uddin
