Dr. Yun, Hoo Jung  
President  
Ewha Women's University  
11-1 Daehyon-dong  
Sudaemoon-ku  
Seoul, 120-750, KOREA

Dear President Yun:

At the suggestion of Dr. Myung Oh, I am writing to introduce myself and to tell you a little about the State University of New York at Stony Brook.

The University at Stony Brook has established strong ties with the Korean nation, the people of Korea, and with the Korean community here in the United States. We have a flourishing Korean Studies Program whose success is due both to the foresight and dedication of its Director, Dr. Sung Bae-Park, and to the generosity of the Korean community in New York and our alumni in Korea. We also have Agreements of Cooperation with eminent Korean universities such as Seoul National University and the Academy of Korean Studies.

I shall be visiting Korea from June 14 through June 20 this year, and would very much like to take that opportunity to visit Ewha Women's University. I would be very interested in meeting with you and exploring the possibilities for an exchange agreement between our two institutions.

I look forward to hearing from you and, if your busy schedule allows, to seeing you in Seoul in June.

Sincerely,

John H. Marburger  
President
