Dear Prof. William Arens;

We are pleased to enclose two sets of the MOU, Student Exchange Appendix and Intensive English Instruction between Stony Brook University and Gunma University. We would be grateful if you could arrange for signing the attached documents on your side and return one original set to us.

We are looking forward to further developing the cooperative relationship between our two universities through this agreement.

Finally, we thank you for all of your kindness and warm hospitality during our recent visit on SBU.

Sincerely yours,
