Dear Mr. Kwak,

Re: Agreements with Korea University

Greetings from Korea University in Seoul! Enclosed are two copies each of the "Agreement for Cooperation" and "Student Exchange Agreement" between SUNY Stony Brook and Korea University. I have had our representatives sign all copies and I am sending them to you to facilitate signatures on your side. After you have received your president's signatures, please keep one copy of each and return the others to me for our records.

I have also enclosed background information about our university and the business cards of relevant contacts in our Office of International Affairs, for your information.

Thank you for all your assistance in this matter and I hope that these agreements will ignite strong bonds of cooperation and collaboration between our two institutions in the future.

Sincerely,

D'Arcy Drachenberg  
Manager, International Communications & Protocol
