U.S.A.

Dear Dr. William Arens

An oversight concerning the returning of a Memorandum of Understanding and a Student Exchange Appendix to the Agreement of Cooperation between our two schools has recently come to my attention.

I sincerely hope that this error in no way damages our relationship, as we consider the exchange between our two schools to be extremely valuable to both our students and our university.

Thank you for your cooperation and understanding in this matter.

Sincerely,

Hiroshi Mori  
Manager  
Center for International Programs
