Subject: Sciences Po Lille, France Memorandum of Understanding

Date: December 2, 2013

Attached are two copies of the Memorandum of Understanding Agreement with Sciences Po Lille, France.

I request that you review these documents and if approved, please sign, forward to the Office of the President for Dr. Stanley's signature and return to this office.

Sciences Po Lille offers a significant number of courses in English. As such, this agreement will be of great interest to our students. At the present time, our students are participating in Exchange Programs via SUNY, Oswego due to lack of opportunity at Stony Brook University.
