On 19 August, 2003, you sent the guys in Venice two copies of the Istituto di Scienza/ Stony Brook Agreement of Cooperation and Student Exchange Appendix. They have one copy in their possession, but its one that has only been signed by their Director (Prof. Bonatti). They need the two signature pages (one for the Agreement and one for the Appendix) that also have your signature and Dr. Kenny's signature. They'd like to get a .pdf copy by 10 July, if at all possible, sent to Luca Zaggia (l.zaggia@ismar.cnr.it). I don't know why. (Alternatively, I guess that you could fax it 0039 041 5216815).  
Many thanks, Henry
