

Memorandum

To: Dennis N. Assanis, Ph.D., Provost
From: Imin Kao, Ph.D., Interim Dean, Int'l Academic Programs & Services
Subject: Agreements with Seoul National University of Science and Technology
Date: March 18, 2015

Attached are two copies of a Memorandum of Understanding and a Student Exchange Agreement with Seoul National University of Science and Technology (Seoul Tech).

Seoul Tech is a national university established in 1910. More information is as follows:

- Ranked 20th in Korea by Joongang Daily's 2014 University Assessment
- Student enrollment: 13,000 in 6 colleges (32 departments)
- Strengths in Engineering, Nano, IT & Bio Technology, Art & Design and Business
- Nearly 50% of students are scholarship recipients

The President from Seoul National University of Science and Technology (Seoul Tech) wishes to visit Stony Brook on March 30th, and sign an MOU with the President. Please review these documents and if approved, sign and return to this office.
