Hi Nici,

It is so good to hear from you! The documents look good. I can prepare the MOU and Student Exchange documents, obtain signatures and then send to you. Can you confirm an address?

We are well, just a little busy trying to meet all the deadlines. I am so sorry for the delayed response....that time of year again 😊

I cc'd Mariam so that she can confirm the number of places and send updated application information.

Best,

Jeanine Guilbeault

Dear Jeanine,

I hope all is well in your part of the world!

I wanted to hear if you have received the MOU drafts I emailed you a week or two ago. Is all fine, and ready for signature? We are very much looking forward to continuing our long-standing exchange.

I also wanted to inquire once again about the number of students we will be able to send your way for the academic year 2015/16. I have to finalize my placements early next week, so would be super thankful if you could get back with me at your earliest convenience.

As always, feel free to send us as many students as you like! ☺

Warm regards,

Nici
