Good morning, Aida It seems that Beijing Normal has been trying to arrange to send you fee paying students, but has lost contact with Dr. Schafer. Follow up if you'd like. Have a great weekend. -Jim

Dear James

The person I contacted with called Yoonmi Noh and I heard from her that Dr. Wolf Schafer should be Interim Dean for International Academic Programs and Services. My last email to her is on June 14 and we lost contact after that.

Hope to receive the good news from your side.

主题: RE: RE: student visa and renew the students exchange program

Good morning, Thanks for the explanation. I am in touch with Stony Brook's international office. I will find out what happened. I do know that Bill Arens left and there has been only a part time interim in his position.

Best wishes, James

Dear James

I'm glad to hear from you. For the SUNY Buffalo State, our two universities has built the students program in 3+2 articulation program not exchange. For the Stony Brook, we planned to set up visiting students program not exchange since they know that they can send their students to BNU through our agreement, and till now, I didn't receive the reply from Stony Brook side.

Best regards
